**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic.net as my ISP and phone service provider over the "big box" companies such as ATT, because Sonic.net provides the service that I want, without unwanted baggage, at a good price. I understand that one or more Big Box companies have petitioned you to remove access to critical unbundled network elements that are essential for competition from companies like Sonic.net. Without that critical infrastructure competition is not possible. I urge you to support free enterprise that can offer meaningful competition.
